6 Americans with Disabilities Act of 1990, as provided in 42

4 that have motor fuel pumps that are not in compliance with the

6 EXPLANATION

7 This bill requires the department of agriculture and land
8 stewardship to establish standards by rule requiring a retail
9 dealer to have a motor fuel pump capable of assisting persons
10 with disabilities, including (1) the federal Americans with
11 Disabilities Act and (2) state requirements for a sign to be
12 posted on or near the motor fuel pump which allows a customer
13 to receive personal assistance from a retail dealer by using
14 a special call button.

15 The bill requires the department to conduct an inspection of
16 motor fuel pumps as part of its regular inspection schedule.
17 The department shall issue a cease and desist order in order
18 to prevent a retail dealer from selling motor fuel at a retail
19 motor fuel site if the department determines that immediate
20 corrective action is required to remedy a violation of its
21 standards.

22 Finally, the bill requires the department to submit a report
23 to the governor and general assembly each year stating the
24 number of retail motor fuel sites having motor fuel pumps
25 inspected that are not in compliance with these provisions.

26 A retail dealer who violates a provision of the bill is
27 guilty of a simple misdemeanor. Each day that a continuing
28 violation occurs shall be considered a separate offense. A
29 simple misdemeanor is punishable by confinement for no more
30 than 30 days or a fine of at least \$65 but not more than \$625
31 or by both.
